EFFECTIVE DATE OF COVERAGE

For Noncontributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for coverage.

For Contributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you enroll for coverage on or before that date.
- The date you enroll for coverage.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The Policy anniversary that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.

Any decrease in coverage will take effect on the next policy anniversary but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date coverage for all Active Employees under the Policy terminates.
- The date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your Contributory coverage, as allowed by the Employer.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.
- The last day you are in Active Employment.

We will pay benefits for a loss that occurs while you are covered under the Policy.

CONVERSION

You may convert your life insurance, without Evidence of Insurability, to an individual life insurance policy if any part of your life insurance under the Policy stops for one of the following reasons:

- Your coverage ends according to the TERMINATION OF COVERAGE provision other than your voluntary cancellation of your Contributory coverage.
- Any continuation of insurance under the Policy ends.
- Your coverage reduces due to your change from one eligible class to another.
- Your coverage reduces due to a Policy change.

Only life insurance is eligible for conversion. The maximum amount of life insurance you are eligible to convert cannot be greater than the amount of life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which you remain eligible under the Policy are not eligible for conversion.

To convert your life insurance, you must apply and pay the first premium to us within 31 days of the date any part of your life insurance under the Policy terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of your life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

You may apply to convert the entire amount of life insurance that is terminating under the Policy, or a lesser amount. The maximum amount of life insurance coverage you are eligible to convert will be reduced by any amount of life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your class of risk, and your attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept your application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, your life insurance will continue under the terms of the Policy. If you die within the conversion period, any life insurance amount that you were entitled to convert will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

If you have made an absolute assignment of your insurance, only the current owner may apply for conversion.

INCONTESTABILITY

Any statement made by you is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the Premium.

An error will not end insurance validly in effect, nor will it continue insurance validly ended.

MISSTATEMENT OF AGE

If Premiums are based on your age and you have misstated your age, then your correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

MISSTATEMENT OF TOBACCO USE STATUS

If Premiums are based on your tobacco use status and you have misstated your tobacco use status, then we will adjust the Premium according to the correct tobacco use status. The amount payable upon your death will be the amount that the Premium would have purchased using the correct tobacco use status. During the first two years your coverage under the Policy is effective, we will make this adjustment instead of contesting your insurance for this misstatement.

ASSIGNMENT

You may make an absolute assignment of ownership of your insurance under the Policy to any person or entity by sending us Written notice on a form that we accept. An absolute assignment transfers all your duties, rights, title and interest under the Policy to the new owner. The new owner can make any changes allowed under the Policy and Certificate.

An absolute assignment form is available from the Employer or us. Any assignment form must be Signed by both the current owner and the new owner. The Signed form must be received and accepted by us in order to be valid. An accepted assignment will take effect on the date the form is Signed by you, unless otherwise specified in the Signed form. An assignment does not affect any payment we make or action we take before receiving the Signed form. An assignment does not change the insurance or the Beneficiary designation.

If you want to continue an absolute assignment made under the Employer's prior group life insurance policy, a statement of intent form is available from the Employer or us. The form must be Signed by both you and the assignee. The Signed form must be received and accepted by us in order to be valid. A statement of intent does not affect any payment we make or action we take before receiving the Signed form. A statement of intent does not change the insurance or the Beneficiary designation.

We assume no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

BENEFICIARY

The Beneficiary is named by you to receive any proceeds payable at your death. While your coverage is in force, you may change the Beneficiary designation by Written request on a form that is acceptable to us. A Beneficiary designation form is available from the Employer or us. An accepted designation will take effect as of the date it is Signed, unless you specify otherwise in the Signed designation, but will not affect any payment we make or action we take before receiving the Signed form. If you have made an absolute assignment of your insurance, only the current owner may change the Beneficiary designation.

If an irrevocable Beneficiary is named, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive you, their share will be payable to the remaining primary Beneficiaries. One or more contingent

Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive you.

Please refer to the LIFE INSURANCE BENEFITS section of the Certificate for information about payment.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This Certificate was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this Certificate which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

ENTIRE CONTRACT

Coverage for insured Employees is provided under a contract of group term insurance between us and the Policyholder. The entire contract consists of all of the following:

- The Policy issued to the Policyholder including Part A and Part B.
- The Certificates which are made part of Part B under the Policy.
- Any riders, endorsements and/or amendments issued.
- The Policyholder's Signed application, a copy of which is attached to the Policy when issued.

CHANGES TO POLICY OR CERTIFICATE

The terms and provisions of the Policy and this Certificate may be changed at any time without the consent of you or anyone else with a beneficial interest in the Policy. We will issue riders, endorsements or amendments to effect such changes, and only those forms Signed by one of our executive officers will be valid. We will only make changes consistent with the standards of the Interstate Insurance Product Regulation Commission or the applicable regulatory body in the governing jurisdiction. We will provide a copy of the rider, endorsement or amendment to the Policyholder for attachment to the Policy, and also for the Employees if the change affects the Certificate(s).

Riders, endorsements and amendments are subject to prior approval by the Interstate Insurance Product Regulation Commission or the appropriate regulatory body in the governing jurisdiction. A rider, endorsement or amendment will not affect the insurance provided under the Certificate(s) until the effective date of the change, unless retroactivity is required by the applicable regulatory body.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to or waive the terms of the Policy.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that you died while your insurance under the Policy is in force. The death benefit is the amount of life insurance for your class as shown on the SCHEDULE OF BENEFITS in effect on the date of your death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review the claim and proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this Certificate.

AUTOPSY

We reserve the right to make a reasonable request for an autopsy at our expense where permitted by law.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your death.

If there is no eligible Beneficiary, we will pay the proceeds to the first survivor(s), who is living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your siblings.
5. Your estate.

If the Beneficiary or survivor is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to that person's estate.

"Spouse" means your lawful spouse. It includes your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction of the Policy. It also includes your domestic partner as defined by the Employer if you have completed and Signed a declaration of domestic partnership on a form acceptable to the Employer.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.

- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

LEGAL ACTION

The time period during which any person can start legal action regarding any claim under the Policy is subject to applicable law in the governing jurisdiction. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide Written notice of the adverse benefit determination to the claimant as soon as possible, but no more than 90 days after receipt of the claim unless an extension is needed. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension before the end of the initial 90-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant’s failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

A notice of an adverse benefit determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
- A description of the claim review procedure and the time limits applicable to such procedures, including a statement of the claimant’s right to bring a civil action following an adverse benefit determination on review.

The claimant may request a review of an adverse benefit determination (an “appeal”) at any time during the 60 day period following receipt of the notice of the determination. We will consider an appeal upon Written application of the claimant or his or her duly authorized representative. As part of the appeal the claimant also has the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to the claimant’s claim for benefits. The claimant may, in the course of this appeal, review relevant documents and submit to us Written comments, documents, records and other information relevant to the claimant’s claim for benefits.

Following our review of the appeal, we will provide the claimant with a Written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 60 days after the receipt of the appeal unless an extension is needed. An extension of 60 days will be allowed for making this decision if special circumstances are present. The claimant will be given notice of any such extension before the end of the 60-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant’s failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant’s claim for benefits.
- A statement of the claimant’s right to bring a civil action.

EXCLUSIONS AND LIMITATIONS

For Noncontributory life insurance, we pay a death benefit for all causes of death.

For Supplemental Contributory life insurance, if you commit suicide while sane or insane within two years of the date your insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period you were continuously covered under the Policy and any previous group term life policy(ies) issued to the Policyholder during your lifetime.

If you commit suicide while sane or insane within two years from the date an increase in Supplemental Contributory life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

It also includes your domestic partner as defined by the Employer if you have completed and Signed a declaration of domestic partnership on a form acceptable to the Employer. Any reference to marriage includes establishment of a domestic partnership or civil union. Any reference to divorce includes termination of a domestic partnership or civil union.

Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. Any decrease in coverage other than benefit reductions noted on the SCHEDULE OF BENEFITS will take effect on the next Policy anniversary but will not affect a payable claim that occurs prior to the decrease.

SPOUSE CHANGE OF LEGAL RESIDENCE

If your Spouse is insured under this rider and your Spouse changes their legal residence to outside the United States or its territories or possessions, then you should notify the Policyholder to cancel this rider. Coverage under this rider will terminate at the beginning of the period during which your Spouse is no longer eligible, and any unearned Premiums that were collected will be refunded.

If your Spouse resumes legal residence in the United State or its territories or possessions, then Spouse coverage under this rider will become effective on the date your Spouse is again eligible for coverage.

If your Spouse resumes legal residence in the United States or its territories or possessions, then you may re-enroll for Contributory Spouse coverage this rider subject to the following:

- If you re-enroll for Contributory Spouse coverage within 2 months of the date your Spouse is again eligible for coverage, then the maximum amount of Contributory Spouse coverage available will be the lesser of the amount that was in effect on the day before coverage ended and the then current maximum amount of Contributory Spouse coverage available under this rider. Contributory Spouse coverage will become effective on the later of the following:
 - The date you re-enroll for Contributory Spouse coverage, if you are in Active Employment.
 - The date your Spouse is not hospitalized or confined at home under a doctor's care.
 - The date your Spouse is not receiving or applying to receive disability benefits from any source.
 - The date you return to Active Employment, if you are not in Active Employment when your Contributory Spouse coverage would otherwise become effective. **Exception:** Contributory coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. TERMINATION OF COVERAGE

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.
- The date your Spouse is no longer an eligible Spouse as defined by this rider.
- The end of the period for which Premiums for this rider are paid if the next Premium is not paid by its due date, subject to the Policy grace period.

We will pay benefits for a loss that occurs while your Spouse is insured under this rider.

CONVERSION

You may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Spouse ceasing to be an eligible Spouse as defined, or your death. You may also convert any part of Spouse life insurance that reduces due to a BENEFIT REDUCTION as described on the SCHEDULE OF BENEFITS or your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Spouse may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops because your Spouse is no longer an eligible Spouse as defined, or because of your death.

Only life insurance is eligible for conversion. The maximum amount of life insurance eligible for conversion cannot be greater than the amount of Spouse life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Spouse remains eligible under the Policy are not eligible for conversion.

To convert Spouse life insurance, application must be made and the first premium paid to us within 31 days of the date any part of Spouse life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Spouse life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of

the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Spouse life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Spouse life insurance coverage eligible for conversion will be reduced by any amount of Spouse life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Spouse's class of risk, and your Spouse's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Spouse life insurance will continue under the terms of this rider. If your Spouse dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

Any statement made by you or your Spouse is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Spouse and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Spouse's lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Spouse's lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

MISSTATEMENT OF AGE

If Premiums are based on your Spouse's age and you have misstated your Spouse's age, then your Spouse's correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your Spouse's age before paying any claim.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Spouse's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. You, or the current owner if ownership was assigned, are automatically the Beneficiary for these proceeds and this designation may not be changed. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death or divorce. If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary's estate. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Spouse died while Spouse insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Spouse life insurance for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Spouse's death.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Spouse's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse's death. **Exception:** If your Spouse dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Spouse's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Spouse commits suicide while sane or insane within two years of the date Spouse insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Spouse was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Spouse's lifetime.

If your Spouse commits suicide while sane or insane within two years from the date an increase in Supplemental Spouse life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

Child or Children	Choice of \$10,000 or \$15,000 or \$20,000 or \$25,000

MAXIMUM AMOUNT OF SUPPLEMENTAL CHILDREN'S LIFE INSURANCE

\$25,000

The Supplemental Children's life insurance amount will not exceed the Supplemental Employee life insurance amount in force.

You may not elect a higher amount of Supplemental Children's life insurance than Supplemental Employee life insurance.

DEFINITIONS

Child or **Children** means a child from live birth but less than 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- A child of your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction of the Policy.
- A child of your domestic partner as defined by the Employer if you have completed and Signed a declaration of domestic partnership on a form acceptable to the Employer.
- Your foster child or a child or grandchild for whom you are a legal guardian.

The child must also meet all of the following conditions:

- Be unmarried.
- Not be in a domestic partnership or civil union that is recognized as equivalent to marriage in the state with governing jurisdiction of the Policy.
- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Employee or Spouse.
- Not be insured by an individual policy that was issued under any conversion right of this rider.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing.

Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit. If the Child becomes capable of self-sustaining employment and proof of the Child's incapacity can no longer be furnished to us, you may convert your Child's life insurance to an individual life insurance policy as described in the CONVERSION provision of this rider.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

ENROLLMENT

If you have a Child eligible for coverage, you must enroll for Contributory Children's coverage before Contributory coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Children were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage on your Children that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

EFFECTIVE DATE OF COVERAGE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you enroll for Children's coverage on or before that date.
- The date you enroll for Children's coverage.
- The date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.
- The date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's coverage would otherwise become effective. **Exception:** This does not apply to a newborn.

Your eligible newborn Child is automatically covered for the first 31 days after birth. This includes an adopted newborn Child who is placed with you within 31 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then Contributory coverage for the newborn will be at the lowest level available. If you do not already have Children's coverage under this rider, then Child coverage beyond the 31st day is subject to the conditions regarding application and Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 31 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 31 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The Policy anniversary that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's increased or additional coverage would otherwise start.

Any decrease in coverage will take effect on the next Policy anniversary but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The date the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.
- The date you no longer have an eligible Child as defined by this rider.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy's grace period.

If coverage for your Children ends and this rider terminates because you no longer have an eligible Child as defined by this rider, then you should notify the Policyholder to cancel this rider.

We will pay benefits for a loss that occurs while your Child is insured under this rider.

CONVERSION

You may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if a Child's life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Child reaching the termination age under this rider, or your death. You may also convert any part of Children's life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if that Child's life insurance under this rider stops because your Child reaches the termination age under this rider, or because of your death. If a Child is too young to contract for life insurance after your death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage.

Only life insurance is eligible for conversion. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Child remains eligible under the Policy are not eligible for conversion.

To convert Children's life insurance, application must be made and the first premium paid to us within 31 days of the date any part of a Child's life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Children's life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Children's life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Children's life insurance coverage eligible for conversion will be reduced by any amount of Children's life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Child's class of risk, and your Child's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Children's life insurance will continue under the terms of this rider. If your Child dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

Any statement made by you or your Child is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Child and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Child's lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Child's lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Child's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. You, or the current owner if ownership was assigned, are automatically the Beneficiary for these proceeds and this designation may not be changed. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Child died while Children's insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Children's life insurance on that Child for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Child's death.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Child's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Child's death. **Exception:** If your Child dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Child's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Child commits suicide while sane or insane within two years of the date that Child's insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Child was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Child's lifetime.

If your Child commits suicide while sane or insane within two years from the date an increase in Supplemental Children's life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

DEFINITIONS

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. State law may require consideration of professional services of a practitioner other than a medical physician. If so, then this definition includes persons recognized as qualified to treat the condition for which claim is made by the state in which treatment is received. This definition does not include you or your spouse, or your or your spouse's children, parents, grandparents, grandchildren, siblings and their spouses.

Total Disability or Totally Disabled means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform for remuneration or profit any other job for which you are fit by education, training or experience. If we pay you an Employee benefit under the Accelerated Death Benefit Rider, you will automatically meet the definition of Total Disability under this rider.

Waiting Period means the 5 month period immediately following the date you stop Active Employment during which you are continuously Totally Disabled. If you return to work for a total of 30 days or less during the Waiting Period and then stop work again due to the same Total Disability, your Waiting Period will not be interrupted. If we pay you an Employee benefit under the Accelerated Death Benefit Rider, you will automatically satisfy the Waiting Period requirement under this rider.

- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date life insurance coverage is being continued under the terms of the Portability Rider.

This rider will not terminate while Premiums are being waived under the terms of this rider.

The TERMINATION OF COVERAGE provision in your Certificate is revised to add this item to the terms under which your coverage ends:

- The date Premiums are no longer being waived under the Waiver of Premium Rider, if you are not in an eligible class on that date.

The TERMINATION OF COVERAGE provision in your Spouse Life Insurance Rider is revised to add this item to the terms under which your Spouse coverage ends:

- The date we approve a claim under the Waiver of Premium Rider.

The TERMINATION OF COVERAGE provision in your Children's Life Insurance Rider is revised to add this item to the terms under which your Children's coverage ends:

- The date we approve a claim under the Waiver of Premium Rider.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

WAIVER OF PREMIUM BENEFIT

If you become Totally Disabled while covered under this rider and meet the other conditions below, we will waive Premiums due under the Policy and continue insurance during your Total Disability, according to the terms of this rider. When we waive Premiums, the amount of continued life insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums that are waived are not deducted from any proceeds that may become payable.

Continued life insurance includes the following if effective on the date before your Total Disability began:

- Employee life insurance.
- the Accelerated Death Benefit Rider.

Continued life insurance does not include:

- the Spouse Life Insurance Rider.
- the Children's Life Insurance Rider.
- the Portability Rider.
- any continuation rider(s).

Any rider or coverage that is not eligible for waiver of premium under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment. See the CONVERSION provision of the Certificate and riders for more information about conversion.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR WAIVER OF PREMIUM

All of the following conditions must be met in order to waive Premiums:

- Total Disability begins before your 60th birthday.
- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire Waiting Period and up to the date we approve your claim for waiver of Premium. Premiums due for life insurance and this rider are subject to the provisions of any continuation riders.
- You provide notice of claim and proof of Total Disability to us as described below.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

You must send us written notice of claim while you are living, while you are Totally Disabled, and within 9 months of the date your Total Disability begins. Failure to give notice within 9 months will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of your Total Disability. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). Claim forms are available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

If you die within 12 months of the date your Total Disability began and all of the following are true:

- You didn't previously submit a claim under this rider, and
- You would otherwise have met the **CONDITIONS FOR WAIVER OF PREMIUM**, and
- Life insurance for you would still have been in force under the Policy on the date of your death if a claim for waiver of Premium had been approved, then the Beneficiary can submit a claim for death benefit proceeds along with notice of claim under this rider and proof that your Total Disability continued without interruption from the last day you were in Active Employment until your death.

EFFECTIVE DATE OF WAIVER OF PREMIUM

When we approve your claim, Premiums are waived as of the date after the Waiting Period ends. We will refund any Premiums we received after that date to the Policyholder or to you, as appropriate. We will notify you in writing when your claim is approved.

We will notify you and the Employer if we deny your claim. If we deny your claim, conversion is available as described in the **CONVERSION** provision of the Certificate and riders.

If we approve a claim for which notice of claim was provided to us more than 12 months after the date your Total Disability began, then any refund of Premiums will not exceed 12 months of Premiums dating back from the date the notice of claim was received by us.

If you converted life insurance due to your termination of Active Employment and then a claim under this rider is approved, the conversion policy must be surrendered without claim. We will cancel the conversion policy as of the date of issue and refund any premiums paid. We will retain any beneficiary designation you made under your conversion policy as the Beneficiary under the group Policy, unless you change the Beneficiary as described under the **BENEFICIARY** provision in the Certificate. If the conversion policy is not surrendered without claim, then Premiums will not be waived under this rider. The same coverage(s) that would otherwise end due to your termination of Active Employment may not be both continued under this rider and converted.

PROOF OF CONTINUED TOTAL DISABILITY

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

TERMINATION OF WAIVER OF PREMIUM

We will stop waiving Premiums on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- Your 65th birthday.

If Premiums are no longer waived, insurance under the Policy will stay in force only if all of the following conditions are met:

- Life insurance is in force for Active Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your Premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your Premium payments are resumed.

You will not be eligible for portability under any Portability Rider on the date we stop waiving your Premiums.

CONVERSION AFTER TERMINATION OF WAIVER OF PREMIUM

When Waiver of Premium under this rider ends, and if you are not otherwise eligible for insurance under the Policy, then conversion will be available as described in the CONVERSION provision of the Certificate and riders.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedure and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes

the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

CONVERSION

When this rider terminates, conversion of this rider is not available.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

ACCELERATED DEATH BENEFIT

Accelerated death benefit proceeds is the amount we pay to you, while you are living, if you have a Qualifying Event. The accelerated death benefit proceeds are paid only once. This payout is the only settlement option available prior to your death.

The benefit is the amount of the accelerated death benefit shown on the SCHEDULE OF BENEFITS in effect on the date you request accelerated death benefit proceeds.

CONDITIONS FOR THE ACCELERATED DEATH BENEFIT

To receive a benefit payment under this rider, all of the following conditions must be met:

- Any required life insurance Premium is paid through the date you request proceeds under this rider.
- You request proceeds in writing while you are living and before you attain age 65. If you are unable to request payment yourself, your legal representative may request it on your behalf.
- You are insured for life insurance benefits under the Policy.
- You are insured for the minimum amount of life insurance as shown on the SCHEDULE OF BENEFITS in order to be eligible for benefits under this rider.
- The benefit percentage elected will equal no less than \$5,000.
- You provide to us written proof from a Doctor that you have a Qualifying Event.
- You provide to us written consent for payment from any irrevocable beneficiary and, in community property states, from your spouse.

NOTICE OF CLAIM AND PROOF OF LOSS

You must send us written notice of claim while you are living and within 90 days of the date the Qualifying Event is diagnosed. Failure to give notice within 90 days will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of loss. Proof of loss includes information from your Doctor, at your expense, regarding your medical condition. We may require additional information from the Employer in order to verify eligibility. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). A claim form is available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are eligible under the terms of this rider. Any second medical opinion may include a physical examination by a Doctor designated by us. In the case of conflicting medical opinions, eligibility will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

When you request proceeds under this rider and upon payment of the benefit proceeds, you will be provided with a disclosure demonstrating the effect of the acceleration on the death benefit and Premium, and any other effects on coverage. This disclosure will also be provided to any assignee of record or irrevocable beneficiary of record.

BENEFIT PAYMENT

We pay the benefit proceeds to you immediately upon receipt of due written proof of loss. If you are not the current owner of coverage under the Certificate or riders on the date proceeds are requested under this rider, then while you are living the benefit proceeds are payable to the current owner.

For coverage continued by your Spouse after your death or divorce, any benefit proceeds under this rider are payable to your Spouse. If your Spouse is not the current owner of coverage under the Spouse Life Insurance Rider and Children's Life Insurance Rider on the date accelerated death benefit proceeds are requested, then the benefit proceeds are payable to the current owner.

Benefit proceeds received for Terminal Illness will be paid as a lump sum.

For a Qualifying Event other than Terminal Illness, you may elect to receive the benefit proceeds as a lump sum or in monthly installments. You may elect monthly installments equal to 1-20% of the full amount of the benefit payable under this rider. The minimum monthly installment is \$500. Monthly installments are paid once every 30 days until the full accelerated benefit amount has been paid out. Each monthly installment paid will reduce the remaining death benefit by the same amount.

Any payment we make in good faith will discharge our liability to the extent of such payment.

If you die after you request proceeds under this rider but before any proceeds are received, then the accelerated death benefit claim will be cancelled and any death benefit will be payable under the terms of the Certificate and riders. If any monthly installments are remaining at the time of death, the remaining amount will be payable as a death benefit under the terms of the Certificate and riders.

EFFECTS ON COVERAGE

When we pay this benefit, coverage is affected in the following ways:

- Your Basic and Supplemental Life Insurance amount is reduced by the accelerated death benefit proceeds paid under this rider.
- Your life insurance amount that may be converted is reduced by the accelerated death benefit proceeds paid under this rider.
- You will not be eligible to increase your Contributory life insurance amount.
- Premium is reduced based upon the remaining life insurance amount. Such Premium must be paid, unless waived under the Waiver of Premium Rider, to keep the life insurance coverage in force.

then life insurance coverage may be continued under the Policy beyond the date you are no longer in Active Employment, limited to the time period(s) described below.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA) – FOR TOTAL DISABILITY CLAIMS ONLY

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedures and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the

special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information. If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

DEFINITIONS

Covered Person means:

- You, if you are covered for life insurance under the Policy.
- Your Spouse who is covered under your Spouse Life Insurance Rider.
- Your Children who are covered under your Children's Life Insurance Rider.

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. State law may require consideration of professional services of a practitioner other than a medical physician. If so, then this definition includes persons recognized as qualified to treat the condition for which claim is made by the state in which treatment is received. This definition does not include you or your spouse, or your or your spouse's children, parents, grandparents, grandchildren, siblings and their spouses.

Total Disability or Totally Disabled means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform any other job for which you are fit by education, training or experience.

GENERAL PROVISIONS

ELIGIBILITY FOR RIDER

If you are covered under the Policy, then you are eligible for this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

TERMINATION OF RIDER

This rider terminates on the date your life insurance terminates.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

TOTAL DISABILITY CONTINUATION

If life insurance for a Covered Person would otherwise end because you are no longer in Active Employment due to Total Disability, and your continuation of insurance under any other rider has ended, then life insurance coverage for all Covered Persons may be continued under the Policy for a limited period of time. During this continued coverage period, the amount of continued life insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums are due during the continuation period on the same basis as on the date before Total Disability began.

Continued life insurance includes the following if effective on the date before your Total Disability began:

- Employee life insurance.
- the Spouse Life Insurance Rider.
- the Children's Life Insurance Rider.
- the Accelerated Death Benefit Rider.
- the Waiver of Premium Rider.

Continued life insurance does not include:

- the Portability Rider.
- any other continuation rider(s).

Any rider or coverage that is not eligible for continuation under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment. See the CONVERSION provision of the Certificate and riders for more information about conversion.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR TOTAL DISABILITY CONTINUATION

All of the following conditions must be met in order to continue coverage under this rider:

- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire period your coverage is in force during the continuation period of any rider.
- All Premiums due for life insurance and this rider are paid to us through the date we approve your claim under this rider.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

We must accept your proof of Total Disability in order for this rider to apply. You may request a claim form from the Employer or us in order to submit your proof of Total Disability to us. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s).

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of

our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

We will notify the Employer if we approve your claim. We will notify you and the Employer if we deny your claim. If we deny your claim, conversion is available as described in the CONVERSION provision of the Certificate and riders.

If we approve your claim and you had previously converted coverage to an individual policy(ies) when your Active Employment terminated, then the individual policy(ies) must be surrendered without claim (other than refund of Premium) in order for coverage to be continued under this rider. The same coverage(s) that would otherwise end due to your termination of Active Employment may not be both continued under this rider and converted. The Beneficiary for your coverage will be the most recent Beneficiary designated under either the group Policy or the individual conversion policy. See the Certificate and riders for more information about the Beneficiary.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

If a Covered Person dies while the Policy is in force for Active Employees and all of the following are true:

- You didn't previously submit a claim under this rider, and
- You would otherwise have met the CONDITIONS FOR TOTAL DISABILITY CONTINUATION, and
- Life insurance for the Covered Person would still have been in force under the Policy on the date of the Covered Person's death if a claim under this rider had been approved,

then the Beneficiary can submit a claim for death benefit proceeds along with proof that your Total Disability continued without interruption from the last day you were in Active Employment until the Covered Person's death. Any Premiums that would have been due for continued coverage must be paid.

TERMINATION OF TOTAL DISABILITY CONTINUATION

Continued coverage under this rider will stop on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- Your 65th birthday; however, the continuation period will not be less than 6 months while the Policy is in force for Active Employees.
- The date the Policy terminates.
- The date coverage for all Active Employees under the Policy terminates.
- For your Spouse and Children's coverage, the date that person's life insurance would otherwise end according to the terms of the rider(s).

If coverage is no longer continued under this rider, insurance under the Policy will stay in force only if all of the following conditions are met:

- Life insurance is in force for Active Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your Premium payments are continued.

The amount of insurance will be subject to the Certificate and riders in effect on the date you become eligible as an Active Employee.

You will not be eligible for portability under the Portability Rider on the date continued coverage under this rider terminates.

CONVERSION FOLLOWING TERMINATION OF TOTAL DISABILITY CONTINUATION

When continued coverage under this rider ends other than for nonpayment of Premium, and if the Covered Person is not otherwise eligible for insurance under the Policy, then conversion will be available as described in the CONVERSION provision of the Certificate and riders.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedure and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

PORTABILITY

If there are any Covered Persons on portability under this rider when the Policy would otherwise terminate, the Policy will remain in force to cover those Covered Persons on portability until the date there are no Covered Persons on portability.

EMPLOYEE PORTABILITY

Portability means you can apply to continue coverage under the same Policy after it would otherwise terminate, if certain conditions are met. Continued coverage under this rider includes the following:

- Employee life insurance under the Certificate
- Spouse life insurance under the Spouse Life Insurance Rider, if Employee life insurance is also continued
- Children's life insurance under the Children's Life Insurance Rider, if Employee life insurance is also continued

CONDITIONS FOR EMPLOYEE PORTABILITY

All of the following conditions must be met:

- You must apply for a minimum of \$5,000 in continued Employee coverage.
- If you apply for portability of Spouse coverage, you must apply for a minimum of \$5,000 in continued Spouse coverage.
- If you apply for portability of Children's coverage, you must apply for a minimum of \$1,000 in continued Children's coverage.
- You have not applied for conversion of life insurance on the same amounts.
- You apply for portability before the date you attain age 79.

 - You are no longer in an eligible class for coverage under the Policy.
 - Any other continuation provided under the Policy ends.

You will be given notice of your portability and conversion rights at least 15 days before the date any part of your life insurance ends. Your portability rights will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your portability rights extend beyond 60 days after the expiration of the conversion period.

Portability is not available for any of the following:

- Any amounts of life insurance for which a conversion application has been received by us.
- Coverage that reduces due to your change from one eligible class to another.
- Coverage that reduces due to a Policy change.
- Coverage that is being continued under the Waiver of Premium Rider.
- Coverage that ends due to termination under the Waiver of Premium Rider.

You may apply for conversion of any terminating life insurance amounts that are not eligible for portability. See the CONVERSION provision of the Certificate and riders.

APPLICATION FOR EMPLOYEE PORTABILITY

You may apply for portability on the same amount of insurance that would otherwise terminate or a lesser amount according to the available amounts on the portability application. You must apply for portability of your insurance in order to continue Spouse and Children's insurance. The amount(s) that can be continued under this rider are subject to the following maximum(s):

- The lesser of 5 times your Basic Yearly Earnings or \$750,000 total Employee life insurance
- \$250,000 total Employee life insurance if you are age 60 or older
- \$150,000 total Spouse life insurance, but not to exceed the total amount of Employee life insurance continued
- \$25,000 total Children's life insurance, but not to exceed the total amount of Employee life insurance continued

You may apply for conversion of any terminating life insurance amounts that exceed the maximum amount(s) eligible for portability. See the CONVERSION provision of the Certificate and riders. You will not be eligible to increase the ported coverage amount(s). Ported coverage is subject to all the terms of the Policy.

If you die within 31 days of the date you become eligible for portability under this rider (the "conversion period"), any life insurance amount that you were entitled to convert will be payable according to the CONVERSION provision of the Certificate and riders. If your Spouse or Child dies during the conversion period, any Spouse or Children's life insurance amount that you were entitled to convert will be payable according to the CONVERSION provision of your Spouse Life Insurance Rider or Children's Life Insurance Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

You do not need to provide Evidence of Insurability in order to apply for portability. You may complete the Evidence of Insurability section of the application if you want to request a lower portability Premium rate. If we accept your application for portability but decline any Evidence of Insurability, you may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide you written notice of conversion. See the CONVERSION provision of the Certificate and riders. Your coverage must be ported under the terms of this rider in order for Spouse or Children's coverage to be ported.

Your application for portability must be approved by us. When we approve your application, ported coverage under this rider will be effective on the day after the conversion period ends. Premiums under this rider will be billed directly to you on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time you apply for portability. We may change the portability Premium rates at any time upon 90 days written notice to you.

If you have made an absolute assignment of your insurance, only the current owner may apply for portability.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR EMPLOYEE PORTABILITY

If your or your Spouse's Premium rates are based on Evidence of Insurability as provided on your application for portability, and you or your Spouse have misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your or your Spouse's Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your or your Spouse's Premium after coverage has been continued under this rider for two years during your or your Spouse's lifetime.

GRACE PERIOD FOR EMPLOYEE PORTABILITY

You have a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to you that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to you, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. You are required to pay a pro rate Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

TERMINATION OF EMPLOYEE PORTABILITY

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date you attain age 80.
- The date you die.
- The date we approve a claim under the Waiver of Premium Rider.

You may apply for conversion of any life insurance amount(s) that terminate when portability under this rider ends, other than for nonpayment of Premium or at your death. Your surviving Spouse and Children may apply for conversion of any Spouse and Children's life insurance amount(s) that terminate when you die. See the CONVERSION provision of the Certificate and riders.

Any unearned Premiums paid for ported coverage will be refunded.

PORTABILITY AT DEATH OR DIVORCE

If you die, your Spouse can apply to continue coverage under the same Policy if certain conditions are met. Continued coverage following your death includes the following:

- Spouse life insurance under the Spouse Life Insurance Rider
- Children's life insurance under the Children's Life Insurance Rider

If you divorce, your Spouse can apply to continue coverage under the same Policy if certain conditions are met. Your Spouse's continued coverage following divorce includes the following:

- Spouse life insurance under the Spouse Life Insurance Rider

For purposes of this rider, "divorce" includes annulment.

CONDITIONS FOR PORTABILITY AT DEATH OR DIVORCE

All of the following conditions must be met:

- Your Spouse must have been insured under your Spouse Life Insurance Rider on the date of your death or divorce.
- Your Spouse must apply for portability before the date your Spouse attains age 60.
- Your Spouse must apply for portability within 31 days of your death or divorce.

Your Spouse will be given notice of portability and conversion rights when your Spouse's life insurance ends due to death or divorce. Your Spouse's portability rights will expire on the later of 16 days after your Spouse is given such notice or the end of the conversion period, but in no event will your Spouse's portability rights extend beyond 60 days after the expiration of the conversion period.

Children may be covered following your death only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

Conversion is available for any terminating life insurance amount(s) that are not eligible for portability. See the CONVERSION provision of the riders. Any amounts of life insurance for which an application for conversion has been received by us are not eligible for portability under this rider.

APPLICATION FOR PORTABILITY AT DEATH OR DIVORCE

Your Spouse may apply for portability of the same amount of insurance that would otherwise terminate or a lesser amount according to the available amounts on the portability application. Your Spouse must apply for portability of Spouse insurance in order to continue Children's insurance. Your Spouse may only apply for portability of Children's Insurance in the event of your death. The amount(s) that can be continued under this provision are subject to the following maximum(s):

- \$150,000 total Spouse life insurance
- \$25,000 total Children's life insurance, but not to exceed the total amount of Spouse life insurance continued

Conversion is available for any life insurance amounts that exceed the maximum amount(s) eligible for portability under this provision. See the CONVERSION provision of the riders. Your Spouse will not be eligible to increase the ported coverage amount. Ported coverage is subject to all the terms of the Policy, Certificate and any riders.

If your Spouse dies within 31 days of the date your Spouse becomes eligible for portability under this provision (the "conversion period"), any Spouse life insurance amount that was eligible for conversion will be payable according to the CONVERSION provision of the Spouse Life Insurance Rider. If your Child dies during the conversion period, any Children's life insurance amount that was eligible for conversion on that Child will be payable according to the CONVERSION provision of the Children's Life Insurance Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

Your Spouse does not need to provide Evidence of Insurability in order to apply for portability. Your Spouse may complete the Evidence of Insurability section of the application if your Spouse wants to request a lower portability Premium rate. If we accept your Spouse's application for portability but decline your Spouse's Evidence of Insurability, your Spouse may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide your Spouse written notice of conversion. See the CONVERSION provision of the riders. Spouse coverage must be ported under the terms of this rider in order for Children's coverage to be ported.

If we approve your Spouse's application for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under your Spouse Life Insurance Rider. If Children's coverage is ported after your death, your Spouse will also become the owner of the Children's coverage that was previously provided under your Children's Life Insurance Rider. Ported coverage under this provision will be effective on the day after the conversion period ends. Premiums under this provision will be billed directly to your Spouse on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time your Spouse applies for portability. We may change the portability Premium rates at any time upon 90 days written notice to your Spouse.

If you have made an absolute assignment of your insurance, the current owner's rights under the Policy will terminate on the date of your death. The current owner's rights regarding your Spouse's insurance will terminate on the date of your divorce. Your Spouse as the new owner under this provision may make an absolute assignment of insurance, as described in the ASSIGNMENT provision of the Certificate.

BENEFICIARY FOR PORTABILITY AT DEATH OR DIVORCE

For coverage continued under this provision, the Beneficiary is named by your Spouse to receive any proceeds payable at your Spouse's death. While your Spouse's coverage is in force under this provision, your Spouse may change the Beneficiary by Written request on a form that is acceptable to us. A Beneficiary designation form is available from us. An accepted designation will take effect as of the date it is Signed but will not affect any payment we make or action we take before receiving the Signed form. If your Spouse has made an absolute assignment of insurance, only the current owner may change the Beneficiary designation for proceeds payable at your Spouse's death.

If an irrevocable Beneficiary is named for proceeds payable at your Spouse's death, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries for proceeds payable at your Spouse's death. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive your Spouse, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive your Spouse.

Your Spouse is the Beneficiary for all other proceeds payable. This Beneficiary designation may not be changed. If your Spouse has made an absolute assignment of insurance, then during your Spouse's lifetime those proceeds are payable to the current owner.

PAYMENT OF PROCEEDS FOR PORTABILITY AT DEATH OR DIVORCE

For coverage continued under this provision, a Spouse death benefit is payable if your Spouse dies while the Spouse Life Insurance Rider is in force. Other benefits are payable if a covered loss occurs while coverage is in force, and while your Spouse is living. See the CONVERSION provision of the Children's Life Insurance Rider for information about death benefits payable during the conversion period following your Spouse's death.

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse's or Child's death or loss under any rider. **Exception:** If your Child dies during the conversion period following your Spouse's death and your Spouse would otherwise have been the Beneficiary, we will pay the Child death benefit proceeds to your Spouse's estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate. If there is no eligible Beneficiary, we will pay the proceeds to your Spouse's estate.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR PORTABILITY AT DEATH OR DIVORCE

If your Spouse's Premium rates are based on Evidence of Insurability as provided on your Spouse's application for portability, and your Spouse has misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your Spouse's Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your Spouse's Premium after coverage has been continued under this rider for two years during your Spouse's lifetime.

GRACE PERIOD FOR PORTABILITY AT DEATH OR DIVORCE

Your Spouse has a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to your Spouse that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to your Spouse, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. Your Spouse is required to pay a pro rate Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

TERMINATION OF PORTABILITY AT DEATH OR DIVORCE

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date your Spouse attains age 70.
- The date your Spouse dies.
- For each Child's coverage, the date the Child is no longer an eligible Child as defined by the Children's Life Insurance Rider. Coverage of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- For Children's coverage, the date there are no longer any eligible Children covered under the Children's Life Insurance Rider.

If your Spouse is continuing coverage under this provision and then later your Spouse becomes eligible as an Active Employee under the Policy, then any amount(s) of coverage continued under this rider will be reduced by the amount(s) of coverage your Spouse has as an Active Employee. Any unearned Premiums paid for ported coverage will be refunded.

CONVERSION FOR TERMINATION OF PORTABILITY AT DEATH OR DIVORCE

Your Spouse may convert any life insurance amounts that stop when portability under this provision ends for any reason other than nonpayment of Premium, or your Spouse's death, or your Child reaching the termination age under the Children's Life Insurance Rider. Conversion is also available for any part of Spouse life insurance that reduces due to a BENEFIT REDUCTION as described on the SCHEDULE OF BENEFITS of any rider or a Policy change. Conversion is also available for any part of Children's life insurance that reduces due to a Policy change. See the CONVERSION provision of the rider(s). If your Spouse has made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert any Children's life insurance amount that stops under the Children's Life Insurance Rider due to your Child reaching the termination age under that rider, or when portability under this rider ends due to your Spouse's death. If a Child is too young to contract for life insurance after your Spouse's death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage. See the CONVERSION provision of the rider.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center
90 South Seventh Street
Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to \$500,000. Subject to this \$500,000 limit, the Guaranty Association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, \$500,000 in disability income insurance, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, HEALTH INSURANCE, OR HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY IMPAIRED OR INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, HEALTH INSURANCE, AND HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS ARE REQUIRED TO PROVIDE THIS NOTICE.

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)

 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Summary of the South Carolina Life and Accident and Health Insurance Guaranty Association Act and Notice Concerning Coverage Limitations and Exclusions

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

COVERAGE

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

(i) With respect to one life, regardless of the number of policies or contracts:

- \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;
- For health insurance benefits: (a) \$300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) \$300,000 for disability

- income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
 - \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
- (ii) with respect to each payee of a structured settlement annuity or beneficiary if the payee is deceased, \$300,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any,
- (iii) the association is not obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for health benefit plans, in which case the aggregate liability of the association shall not exceed \$500,000 with respect to any one individual or with respect to one owner of multiple nongroup policies of life insurance, whether the policy or contract owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than \$5,000,000 in benefits, regardless of the number of policies and contracts held by the owner;
- (iv) the limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to its subrogation and assignment rights;
- (v) benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

To learn more about the above protections, please visit the Association's website at www.utlifega.org, or contact:

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
